

# Mane Attraction *Her Styles*

Preserve your edges by rocking a loose bun instead of a tight top knot like *Grey's Anatomy* star Kelly McCreary. You and your edges will thank us later.

The latest offering from the **Creme of Nature** with Argan Oil From Morocco line is their ultra-moisturizing Pure-Licious Co-Wash Cleansing Conditioner. It gently removes product and oil build-up, while the Buttermilk Leave-In Hair Milk is light enough to use daily for improved manageability. Both products rock! #CelebrateYourCurls \$8 each, mass retailers

Empire star Taraji P. Henson has the best of both worlds with a braided side-pony that's perfect for a summer wedding or a Sunday brunch.

**Lottabody** 5-n-1 Miracle Styling Crème is one of the most versatile sprays on the market. The coconut and shea butter formula minimalizes frizz, reduces split ends, boosts shine and hydration, provides thermal styling protection and aids in detangling strands. #LottaBody \$4, beauty supply stores nationwide

Celeb stylist Nikki Nelms gave Zoë Kravitz the perfect individual braids for vacay. Go swimming, then partying and have no issues. #HairByNikkiNelms

Before and after braiding your locks, we highly recommend deep conditioning your strands. Check out **Dipity-Do Girls With Curls Deep Treatment**. Enriched with shea butter, jojoba seed and avocado oils, the supreme hydration reduces breakage. \$7, select Walgreens
